March 2021

To parents/carers of pupils in Year 5,

We are delighted we have been able to welcome our students back at Boston High School this week. It is lovely to hear our corridors full of excited students! I hope the return to school for your family has also been smooth.

We are writing to remind you that there is still time to register for the 11 plus test for September 2021 entry. The link is on our school website at www.BostonHighSchool.co.uk. Your daughter will not be able to sit the 11 plus, in September 2021 without registering with us first. Once you have registered, we will be able to contact you to keep you up to date with relevant information, including any offers of free 11 plus familiarisation sessions that we are hoping to hold later in the year. We always prioritise the students who have registered with us, for these sessions.

We have also had the 11 plus dates confirmed by our Lincolnshire Grammar School Consortium. The dates have slightly changed for September 2021 testing. These are as follows:

Verbal Reasoning – 17th & 18th September 2021

Non-verbal Reasoning – 24th & 25th September 2021

As we move into more positive stages of this pandemic, we would like to wish our local primary schools and community, a healthier and safer 2021.

Yours sincerely
