

Boston West Academy

Dear Parent, below you will find information about our learning this term. We hope this will help you to support your child at home and with homework. As always, we start with our initial plans and then adapt our planning in response to the children's ideas and thinking. **The PE days this term for Miss Brockington's class is Thursday and for Miss Weavin's class is Friday. Homework will be given on a weekly basis, usually on a Wednesday.** If you have any questions or queries, then please do not hesitate to get in touch - we are always available!

How you can help:

When reading books and phonic sounds are sent home, spend time with your child reading and practising their sounds, putting the sounds together to make words - little and often is best!

Keep counting all the time, be it up the stairs to bed or lorries you pass on the way to school!
