'Meet and greet' sessions – your chance to meet your child's new teacher!

Dear parents/ carers,

The start of a new academic year is always exciting as children meet their new teachers and start to learn about the expectations for their new year group. With this in mind, we have organised 'meet and greet' sessions for each class in key stage 1 and 2. Parents of children in foundation stage will be invited to a special meeting on Tuesday 17 September (see separate letter).

The meetings will last approximately 15 minutes and will provide lots of useful information about both learning and classroom routines. More importantly, it is an opportunity for you to meet your child's class teacher and catch a few words with them. At the end of the session, you will be given an information pack, which will contain the term's curriculum letter (this provides information about what the children will be learning) plus any other additional resources that will help you to support your child's learning. If you are unable to attend the 'meet and greet' session, please let the class teacher know and they will ensure you receive the information pack.

We hope you find these sessions useful and look forward to working with you to support your child's learning.

Yours sincerely,
