

5th September 2019

Starlincs Mobile Planetarium visit

Dear parents/carers,

We have invited the team from Starlincs Mobile Planetarium to visit the Year 5 children on **Thursday 12th September**. The team bring an exciting visual display of the night sky into school in the form of a self-contained darkened classroom which encourages intensive study sessions without distraction. Children will be given the opportunity to learn all about space in a fantastic, fun and educational environment to further support this term's science topic.

Therefore, we kindly ask for a **voluntary contribution of £2.90 by Wednesday 11th September**.

Keep an eye out for photographs from our visit on the school website!

Many thanks,

Mrs O'Connell

Miss Ireland
