

Wednesday 9 September 2020

Dear parents and carers,

We are very excited to welcome you all back to school for the new academic year.

As I'm sure you are aware, all children have been invited to join the new Google Classroom for their current class. If you haven't already signed up to your child's Google Classroom, please do so as soon as possible. At times, we will be using Google Classroom in school. **At some point this week, your child's Google Classroom log in will be reset by their class teacher and their new log in details will be sent home once it has been reset.** It is important that your child has the correct log in details, including their password, in school so please let your child's class teacher know if for any reason you need to change their password.

Across school, Google Classroom is going to be used to set homework. **In Key Stage 1, years 1 and 2, homework will be set weekly via google classroom on a Wednesday. We will ask for this to be 'turned in' by the following Monday.** It will then be marked by your child's class teacher. **This will be starting on Wednesday 16th September.** If you require any further support with Google Classroom, please email the office and your child's class teacher will contact you to help.

We look forward to using Google Classroom to see all of your amazing home learning!

Any questions please ask,

K. Featherstone
