

Thursday 17 September 2020

Dear parents and carers,

The Craft Outlet at Springfield's in Spalding is the broadcast venue for The Craft Show – it is on Facebook, YouTube and other social media channels. We want to work with the Craft Outlet and they have offered the opportunity for pupils from our school to go to the recording for The Craft Show and be part of it! It would mean that you would need to take your child to the Craft Outlet, either on a Saturday or Sunday (they are recorded once or twice a month) and stay with them as they participate in a crafty activity whilst being filmed! If your child has a crafty hobby, is an artist or is creative and would be interested in appearing on The Craft Show, please get in touch with Mrs Braybrook (preferably by email), who will liaise with the Craft Outlet.

Kind regards,

*Mrs Braybrook*
