MEET AND GREET VIDEOS

Dear parents and carers,

Usually at this time of year we would be hosting a series of “meet and greet” sessions during which every class teacher would introduce themselves to you and talk about learning, routines and expectations in their class.

As we are unable to invite you into school as we usually do, we have created “meet and greet” videos which will be uploaded to your child’s [Google Classroom](#) tomorrow (the year 6 video was shared last week as it included information about the 11+ tests).

Please take a few minutes to watch the video which will hopefully provide you with all of the information you need.

If, having watched the video, you have questions, please feel free to contact school in the usual way (phone or email) and someone will get back to you.

If there is something specific regarding your child that you would like to discuss privately with your child’s class teacher, please let us know and we will arrange for a one-to-one telephone conversation to take place.

Yours sincerely,

Simon Morley
Headteacher
