

Monday 16th September 2019

Dear parents/carers,

Re: Maths Open Morning, Thursday 26th September 9.00-10.00am

Next week, we will be holding a **Maths Week** in school. On Monday, there will be a special maths themed assembly led by a visitor from **Magical Maths** for all the children in years 1 to 6. This promises to be an enlightening session, during which the children will develop some simple but effective strategies to assist them when working with numbers.

During maths sessions over the week, children across the school will have opportunities to enhance their problem solving and reasoning skills through a range of activities and contexts. They will also explore maths in other curriculum subjects, such as science or art.

On **Thursday 26th September 9.00-10.00am**, we would like to invite you into your child's classroom, where you will be able to see 'maths in action' and support your child to complete a maths investigation or some fun mathematical challenges.

Please complete the slip below, if you will be attending the maths open morning and return to school by Monday 23rd September.

Thank you for your continued support as we work together to achieve the best outcomes for the children at Boston West. We look forward to seeing you at the open morning.

Yours faithfully,

Mrs E Bills
Teaching and Learning leader

FAO: Mrs Bills

I will be able to attend the Maths Open Morning on Thursday 26th September 9.00-10.00am.
